Cleaning instructions

Before cleaning, light must be turned off and unplugged from the main electricity. Whilst cleaning the lamp please take extra care not to use force on the fitting. Use a soft and dry dust cloth and gently go over the product.

INSTALLATION

1.

Disassemble the wall rose. Connect the metal bridge to the wall (**B**) connect the electricity wires from the cable and from the wall to the junction box (**C**) and secure the wall rose to the metal bridge with the 2 small screws (**D**)
