Cleaning instructions

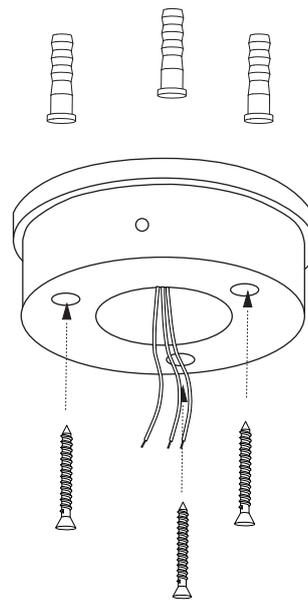

Before cleaning, light must be turned off and unplugged from the main electricity. Whilst cleaning the lamp please take extra care not to use force on the fitting. Use a soft and dry dust cloth and gently go over the product.

INSTALLATION

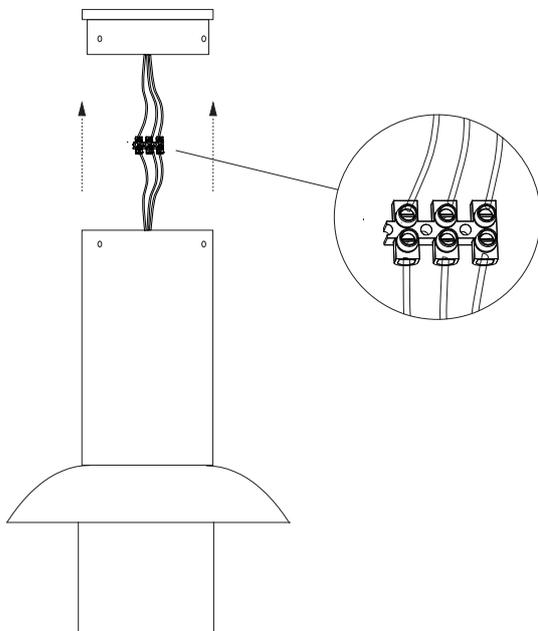

1.

Unscrew the 3 screws at the top and release the top black ceiling attachment part.

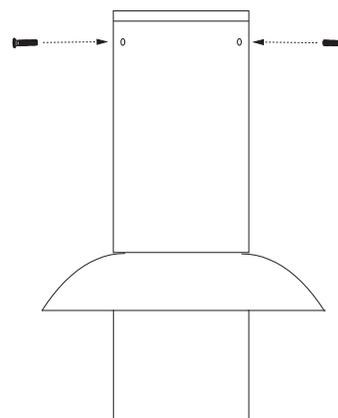

2.

Drill 3 screw anchor to the ceiling and screw the black ceiling attachment to the ceiling. Make sure the electric wires coming from the ceiling are exactly in the middle of this part.

3.

Connect the electrical wires with the junction box supplied.

4.

Insert the lamp to the black ceiling attachment back with the 3 screws.

HOW TO REPLACE A LIGHT BULB

Before changing a bulb light must be turned off and unplugged from the main electricity.

Press the bulb a little and rotate it half way until coming out. Screw back the new bulb in the same way.
