

## BERRIES - FLOOR TO CEILING PENDANT LAMP

---

The shape of berries is defined mainly through interaction with their hosting branch. Each berry is made of wood and acrylic, to make it look as delicious as it is in real life.

Every berry projects its light in a different direction, and the number of lampshades can be customized according to the length of the metal pole from which they hang.

### Cleaning instructions

---

Before cleaning, light must be turned off and unplugged from the main electricity. Whilst cleaning the lamp please take extra care not to use force on the fitting. Use a soft and dry dust cloth and gently go over the product.

# INSTALLATION

---

## HOW TO CONNECT THE HOOK TO THE CEILING

---

1.

Attach the hook base (**A**) to the ceiling

2.

Inset the steel wires (already inserted in the chandelier body) to the hook connector (**B**) and screw it back into the hook base. Now you can adjust the wanted drop length of the lamp.

# HOW TO REPLACE A LIGHT BULB

---

Before changing a bulb light must be turned off and unplugged from the main electricity

1.

Unscrew the 3 small screws in the front of the lampshade

2.

Remove the lampshade cover

3.

Remove the existing bulb by pulling it gently out and replace it with the new bulb

4.

After the bulb has been replaced close the lamp cover and screw back the 3 small screws
