

SCOPE WALL LAMP

The Scope collection is defined by two basic shapes: a circle and a line. With this two shapes we can create an endless combinations.

As a wall lamp it has a unique and elegant visibility with a simple circle and a line. The light projects on the lamps disc and wall and create a warm and relaxing atmosphere.

Cleaning instructions

Before cleaning, light must be turned off and unplugged from the main electricity. Whilst cleaning the lamp please take extra care not to use force on the fitting. Use a soft and dry dust cloth and gently go over the product.

INSTALLATION

1.

Disassemble the wall rose. Connect the metal bridge to the wall (**B**) connect the electricity wires from the cable and from the wall to the junction box (**C**) and secure the wall rose to the metal bridge with the 2 small screws (**D**)
