

SHELL LIGHTS

Half transparent, the shades creates a gradient, in color and in light, playing on the amount of light coming out of each shade.

The 'shells' edges are broken spontaneously and create an asymmetric - organic look. Each shade is different and has it's own fingerprint, making this piece unique and one of a kind.

Category-	Pendant lamp
Materials-	Resin, Wood and Metal
Dimensions- (Shade) (cm / in)	Width: 16 cm - 6.3 in Height: 19 cm - 7.5 in Length can be specified
